## Rise above the rest at Fairview Paramount

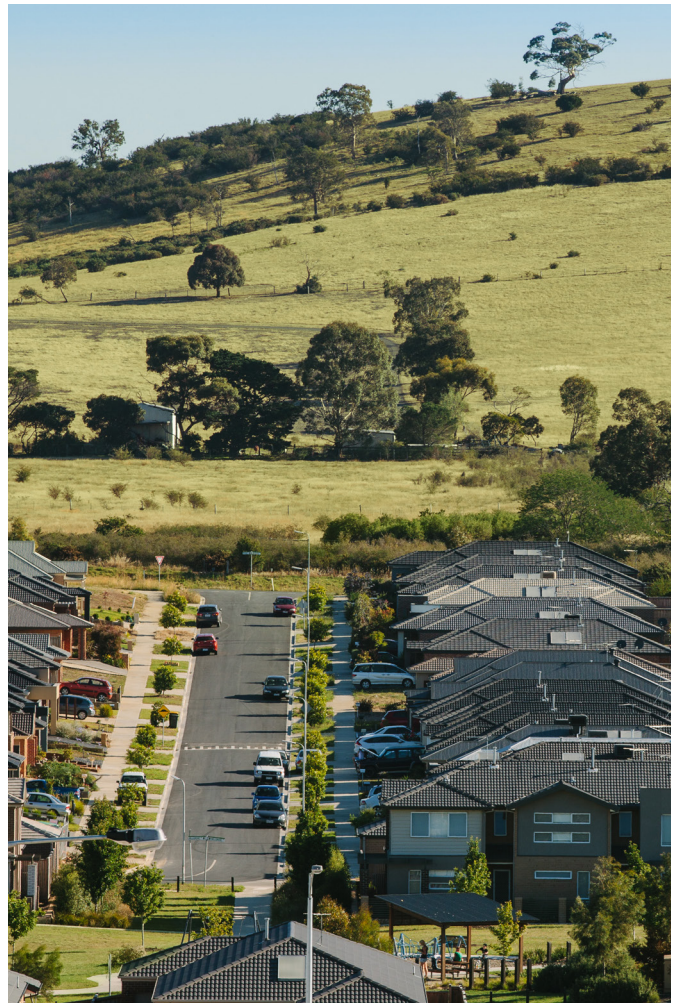

**Since launching to market Fairview has quickly made a name for itself as the most sought-after development in Mernda.**

Stage 9 has just been released to cater for the unprecedented demand from buyers looking to secure their dream piece of land in this community surrounded by abundant greenery and open space.

The last stage of this development is the crown jewel of the community with panoramic views over the rest of the estate, the nearby Mernda valley and the future 1,000-hectare Quarry Hills regional park.

With its unrivalled location nestled within picturesque surrounds and close to nearby conveniences of schools, public transport, shopping and recreational facilities, Fairview is the ideal community for those aiming to enjoy a relaxed lifestyle close to modern services.

With only 80 lots remaining in the entire development, Fairview is selling out quicker than anyone anticipated - so get in quick to be part of this thriving new lifestyle and secure the best view at the most coveted community before it's too late!
