The Finale Release at Fairview

Saturday August 29 saw the final stage release of 24 lots released to the public at Fairview Estate.

Leading up to the final release, demand for premium elevated final lots was high, with four groups choosing to brave the chilling conditions and camp in the carpark Friday night. Nothing could deter their chance of securing their dream block in the best established Estate in Mernda.

The four dedicated campers were joined by another six groups in the early hours of Saturday morning, all hoping to secure a final lot at Fairview.

The interest in Stage 9 centered around the bigger lot sizes, up for grabs. "Rarely do you expect residential lot sizes up to 1004m², in the Mernda corridor and it is this factor driving most of the interest," said Marcel Morris - Estate Manager, Fairview.

With land supply running out fast, be quick to secure one of only 59 lots remaining in the Fairview Estate until completion! Sizes now ranging from 300m² to 710m².

For purchaser's convenience all remaining lot's have been pegged to show actual size and boundary locations.

Inspections with Marcel are available via appointment. Phone 9684 8119.

Feel free to visit the Land Sales Office open 11am-5pm 7 days at 300 Bridge Inn Road, Mernda, VIC 3754. Melway Reference 390 A9.
