A Shopping Haven Right Around the Corner

Fairview residents and shopping addicts alike can rejoice at the convenience of Westfield Plenty Valley being located just down the road.

As the go-to shopping destination, the complex attracts approximately seven million shoppers through its doors annually, and it's not hard to see why!

Locals can appreciate a wide variety of stores, with over 175 different retailers, including Pandora, Angus and Coote and JB HIFI. The complex also features two fresh food precincts, including the likes of 'My Fine Food' and 'Deli Fresh' while also featuring many different restaurants. There's something to suit everyone's palette.

Throughout the year the centre hosts a number of activities to keep the kids entertained. With free shows currently running three times a day you can keep the youngsters happy whilst you shop.

Head down to Westfield Plenty Valley and spend the day window-shopping, or partake in some retail therapy.

Happy shopping!
